EXPRESSION OF INTEREST

PRE-QUALIFICATION OF FIRMS FOR FEASIBILITY STUDY FOR SOLID WASTE MANAGEMENT, GWADAR CITY & GWADAR MASTER PLAN AREA, GWADAR

Gwadar Development Authority invites prequalification documents from firms of similar experience (PEC Registered) for the Consultancy Services.

BACKGROUND

Gwadar, a node city of China Pakistan Economic Corridor-CPEC, hosts a population of more than hundred thousand. Presently, there is no proper solid waste management system in the city, which is going to grow fast as development activities under CPEC gaining. Under the Present scenario 32% of solid waste is being collected, transported and disposed which call for immediate review and remedial action. Environmental issues like foul smell, a scatter of plastic bags and air pollution resulting burning of waste are being created by the way solid waste is collected and disposed. Presently there is one disposal site with an area of 5400 acre allocated in GDA Master Plan as landfill/dumping site for solid waste Management activities in future.

Gwadar Development Authority seeks services of firms that can propose sustainable and Environment friendly solution for solid waste collection and disposal.

TENTATIVE SCOPE OF WORK:

- Initial investigations, surveys and creation of necessary database.
- Master plan for Solid waste Management system of Gwadar for short term (2020) Medium Term (2035) and long term (2050) scenarios detail design.
